

Paris to Dacre Dual Sport Challenge

Date: June 25th-27th, 2010

Start: Burford Fair Grounds (located 10min south of Paris), Ontario
Lunch: Kinmount (TekRider Manufacturing), Ontario
End: Dacre, Ontario
Distance: ~750km
Fee: \$190.00

This Paris to Dacre event is a "dual sport" event designed to honour and mimic the achievements of the competitors of the real DAKAR Rally in Europe and Africa and now South America. The Paris to Dacre Ontario (P2D) ride is an example of what each competitor has to complete every day for the complete duration of the rally, and they did it for fifteen days, not just one!

As in the past this years' event is a "Challenge Concept Event". It is not a day tour, it's all about personal and bike preparation, machine reliability, self-sufficiency, teamwork, planning, navigation and camaraderie. Be aware that you will be relying on your partners and yourself to take care of any problems that may arise; we will only be providing assistance in extreme emergency situations. You are responsible for providing your own logistics if you leave the event for any reason, and you are also responsible for providing your own logistics to return from Dacre after the event is over!

All teams must enter as a team! NO SINGLE ENTRIES!!! All teams must stay in the 3 to 5 member guidelines!!

REGISTERING

Participants from previous years will direct the new team members to the online entry page. There will be a 'comment area' where new team members can be listed and should be done in Bold or ALL CAPS.

Previous participants must "sponsor" a new rider by listing them in the "NEW" Team Member box on the online entry form. (NOTE: "NEW" team members entries will be deemed invalid if their names do not appear in the new members box submitted by a team rider (sponsor) from last year !!) New team members names must be capitalized in the text box for easy identification.

Early Registration begins March 6th, 2010. Registration for new teams begins March 20th, 2010.
